1. INTRODUCTION

1.1. Purpose of Document

The Board of Directors of the Master Association has approved this document to be distributed to all Owners and Tenants. It is intended to provide information related to the Club Facilities, programs and activities available to our residents and guests. These Rules & Regulations may be amended from time to time by the Board of Directors, so it is important that all residents and their guests become familiar with the latest version approved by the Board.

In the event that the rules in this document conflict with the Declaration of Condominium, the Declaration will ultimately control.

1.2. BellaTrae Community Association

The BellaTrae Community Association, Inc., otherwise known as the "Master Association," is a Florida Homeowners Association (HOA) and was incorporated in 2006 as a non-profit corporation of the State of Florida. One of the primary functions of the Master Association is to ensure the proper management and maintenance of the Club Facilities. The Master Association is governed by its Board of Directors.

This initial investigation will typically involve recording date, time, location, persons involved, description of violation, and any other pertinent information. Club Management may also speak to the involved parties or, in the case of minors, to the responsible parent, guardian, or adult supervisor. 3. Serious violations, typically those including, but not limited to, use restrictions, property damage, use of abusive language, threats or acts of violence, and theft require that the Club Staff notify the General Manager or designee immediately. The General Manager or designee will determine if law enforcement notification is necessary.
4. After conducting an investigation of the matter, the General Manager or designee shall determine whether the accused Member should appear before the Board's Hearing Committee for further disciplinary review. Board and Hearing Committee Members may be consulted by the General Manager or designee during this investigation.
5. In the event that the General Manager or designee determines that a formal hearing before the Hearing Committee is necessary, the accused Member shall be notified in writing of such determination by means of a Notice of Hearing. The Notice of Hearing shall indicate the time, date, and location of the hearing. The Notice of Hearing shall be mailed to the accused Member at his/her address as shown in the records of the Association. The Notice of Hearing shall also specify which rules(s) or regulation(s) the accused Member is being charged with violating. A formal hearing before the Hearing Committee shall take place not less than fourteen (14) days from the date of the Notice of Hearing. Hearing Committee hearings shall take place in open session.
6. In making a final determination of the matter, the Hearing Committee shall follow the Progressive Discipline Policy established by these Rules (See Appendix C – Code of Conduct). All final decisions of the Hearing Committee shall be made by a majority vote of the Committee.

Member may appeal the Hearing Committee's decision to the full Board of Directors by submitting a written request to the Board within seven (7) days from the date of the Hearing Committee's decision. The appeal must include a statement detailing the reason(s) why the Hearing Committee's findings and recommendations were in error. It must also identify any matters relevant to the final determination that were not presented to the Hearing Committee and the reason(s) why. A hearing on the appeal will be scheduled by the Board of Directors within thirty (30) days of receipt of the appeal request. Failure to timely file a written appeal request shall automatically result in the Hearing Committee's decision becoming a final and enforceable decision.
8. The Board may decide the matter immediately following the hearing, or take it under advisement. In either event, the Hearing Committee shall notify the Member in writing of the outcome of the appeal within seven (7) days from the date of the hearing.
9. The Board's determination at or following the appeal hearing shall be final.

All persons using the Club Facilities do so at their own risk, and must agree to abide by the rules for use of the Club Facility. The BellaTrae Community Association, Inc., its officers, directors, agents and employees, assume no responsibility and shall not be liable for any accidents, personal injury, or damage to, or loss of property arising from the use of the Club Facilities or from the acts, omissions or negligence of other persons using the Club Facilities. Owners shall, ultimately, be held accountable for the acts of their Lessee, their guests, and invitees.

If after investigating the matter, the General Manager or designee makes a determination that the Offending Party caused the damage to the gate barrier arms and/or delineators in question, the General Manager or designee shall send the Owner, or in the case where the Offending Party is a Lessee, a guest or an invitee of Lessee, to Lessee, a written Notice to the address as shown in the records of the Association detailing the reason(s) for such determination. Within fourteen (14) days from the date of the Notice, the Offending Party shall have the right to challenge the determination by submitting a written objection to the General Manager or designee setting forth the reason(s) for such challenge.

Upon receipt of the Offending Party's objection, the General Manager or designee will initially attempt to informally resolve the matter. If the matter cannot be resolved informally, the General Manager or designee shall determine whether the Offending Party should appear before the Board's Hearing Committee for further review and adjudication of the matter. Board and Hearing Committee Members may be consulted by the General Manager or designee in this regard.

In the event that the General Manager or designee determines that a formal hearing before the Hearing Committee is necessary, the Offending Party shall be notified in writing of such determination by means of a Notice of Hearing. The Notice of Hearing shall indicate the time, date, and location of the hearing. The Notice of Hearing shall be mailed to the Offending Party at the address as shown in the records of the Association. A formal hearing before the Hearing Committee shall take place not less than fourteen (14) days from the date of the Notice of Hearing. Hearing Committee hearings shall take place in open session and all final decisions of the Hearing Committee shall be made by a majority vote of the Committee.

Offending Party may appeal the Hearing Committee's decision to the full Board of Directors by submitting a written request to the Board within seven (7) days from the date of the Hearing Committee's decision, stating therein the reason(s) why the Hearing Committee's findings were made in error. A hearing on the appeal will be scheduled by the Board of Directors within thirty (30) days of receipt of the appeal request. 9.6. APPENDIX F – Informed Consent, Release & Waiver Agreement.

Thank you for using the BellaTrae Community Association Facilities. Community Association management requests your understanding and cooperation in maintaining both your and our safety and health by reading and signing the following Informed Consent Agreement.

I, _____, declare that I intend to use some or all of the facilities offered by BellaTrae (the “Community Association”), including but not limited to, the fitness center, swimming pool, tennis, bocce, craft and other workshops and meeting rooms and to participate in events sponsored from time to time by the Community Association (the “events”). All of these activities and programs are collectively referred to as the “facilities”. In consideration for being allowed to use the facilities and participate in the events (Collectively, the “activities”), I declare as follows:

1. I understand that each individual (myself included) has a different capacity for participating in such activities and services. I assume full responsibility during and after my participation for my choices to use or apply, at my own risk, any portion of the information or instruction I receive. I have read and agree to comply with the written rules and regulations for use of the facilities.
2. I understand that part of the risk involved in undertaking any activity or program is relative to my own state of fitness or health (physical, mental or emotional) and to the awareness, care and skill with which I conduct myself in that activity or program. I acknowledge that my choice to participate in any activity or program at BellaTrae brings with it my assumption of those risks or results stemming from this choice, and the fitness, health, awareness, care and skill that I possess and use.
3. I understand that participating in the activities may involve risk, including economic loss, health, disabilities or death, and I willfully and voluntarily assume those risks.
4. I accept personal responsibility to always act in a safe manner and to abide by the rules and regulations of the Community Association whenever I participate in these activities. I agree to immediately inform a representative of the Community Association whenever I participate in these activities. I agree to immediately inform a representative of the Community Association, and to stop participating in the activities, if I observe any unsafe condition or broken equipment, or if I experience any pain, discomfort or other symptoms that I may suffer during or after participating in the activities. I understand that I may stop or delay my participation in any activity or program if I so desire and that I may also be requested to stop and rest by an Association employee who observes any symptoms of distress or abnormal response, and I agree to comply with such directions.
5. I understand that I am responsible for obtaining appropriate insurance coverage when participating in the activities and that the Community Association will not provide to me any insurance coverage.
6. I declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity or other illness that would prevent my participation in any of the activities and programs of the facilities, or use of equipment or machinery except as hereinafter stated. I understand that I have been strongly advised to obtain my doctor’s approval before participating in the activities, especially any exercise, aerobics or fitness activities.
7. By signing this document, I acknowledge that I have voluntarily chosen to participate in the activities. I assume all risks for my health and, on behalf of myself, my heirs, beneficiaries, dependents and personal representatives, release and hold harmless the Community Association and their respective directors, officers, employees and agents from any responsibilities, liabilities, damages, or claims related to my participation in the activities.
8. Members are responsible for the conduct of their guests. Members and their guests shall not reprimand nor discipline any employee of the Community Association. Comments and complaints are to be directed to the Community Association Board of Directors. The Community Manager or Lifestyle Director will inform members

or guests of any violation of the rules and regulations of the Community Association, and, when necessary, report such actions to the Board of Directors.

I declare that the terms of this Informed Consent Agreement have been completely read and are fully understood by me, and that if desired I have had the opportunity to consult with an attorney prior to executing it. I am freely and voluntarily executing this Informed Consent, Release and Waiver for the purpose of making a full and final compromise and settlement of any and all claims, disputed or otherwise, related to the facilities and programs described above.
